# SOCIAL INTEGRATION MA

Multi/intercultural issues have become increasingly significant in political, social, cultural and everyday life. This programme provides students with knowledge about the **multifaceted nature** of intercultural issues and multi/interculturalism by means of a multidisciplinary approach, including **anthropology, sociology, psychology** and **education**.

Approximately half of the programme consists of trainings, seminars, and field work preparing students to understand, and effectively work with culturally diverse populations in different institutions and settings.

## STRENGTHS OF THE PROGRAMME

- unique programme with strong interdisciplinary focus
- professional preparedness
- administrative capacity to help facilitate student life
- almost 40 civil partner organizations for practicals

## FACTS & FIGURES

Duration of the programme: 2 years (4 semesters)

Credit number: 120 ECTS
